

School Review

As you are aware, we are working exceptionally hard to move the school forward and have regular reviews to check our progress and school improvement. The Trust team, LAAB members, school leadership team and an invited external expert completed a rigorous review on Friday 28th February and I am pleased to be able to reassure you that the school was judged to be improving. We are now clearly focussed on what to do next to continue to move forward.

Reading Records

PLEASE make sure that your child comes to school with their book bag every day. They must bring their reading book and Reading record signed by an adult every week.. **Children need to practise reading every day.**

Dates for the Diary

3rd April School closes for the Easter break at 1.30pm

Please see the school website for term dates & **DO NOT BOOK HOLIDAYS DURING TERM TIME.**
Thank you

A child who reads	A child who reads	A child who reads
20.00	5.00	1.00
minutes per day	minutes per day	minutes per day
will be exposed to 1.8 MILLION words per year	will be exposed to 282,000 words per year	will be exposed to 8,000 words per year

Coronavirus

Please be reassured that we are monitoring the coronavirus situation very carefully. Detailed advice and guidance from the Government is provided overleaf.

Clothes Collection

Please send your bags filled with unwanted clothes, shoes, bags etc to school on **Thursday 5th or Friday 6th March.**

Thank you for your support

Advice on the coronavirus for places of education

How serious is the coronavirus?

- it can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

How can you stop coronaviruses spreading?

If you need to cough or sneeze

Catch it with a tissue

Bin it

Kill it by washing your hands with soap & water or hand sanitiser

You should wash hands with soap & water or hand sanitiser

After breaks & sport activities

Before cooking & eating

On arrival at any childcare or educational setting

After using the toilet

Before leaving home

Try not to touch your eyes, nose, and mouth with unwashed hands

Do not share items that come into contact with your mouth such as cups & bottles

If unwell do not share items such as bedding, dishes, pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: campaignresources.phe.gov.uk/schools

What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings [gov.uk/government/publications/guidance-to-educational-settings-about-covid-19](https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19). Parents can visit [NHS.UK](https://www.nhs.uk) to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have returned from Iran, specific lockdown areas in northern Italy, special care zones in South Korea or Hubei province China (returned in the past 14 days) should self isolate, and NOT attend education or work for 14 days.

See [NHS.UK](https://www.nhs.uk) for advice on coronavirus.

If there is an emergency, call 999 immediately
